**LAVELLE PARTNERS,
HERALDING A NEW AND EXCITING ERA FOR OUR FIRM
INNOVATIVE • TRUSTWORTHY • FOCUSED**

In our 30-year history, we have always evolved and responded to the need for change and growth. It is the reason we have developed a reputation for long lasting client relationships and professionalism. It is the reason for our growth, and it is the reason for our reputation.

That is why, in tandem with the launch of our new website today, Lavelle Solicitors will become Lavelle Partners* – heralding a new era for our firm, built on our foundations of Innovation, Trust and Focus.

Over the last 12-18 months, we have watched our team grow and expand, we have implemented positive change and we have evolved. Our commitment to our clients and our staff lies at the heart of our progression.

From the perspective of our clients, our name will change, but our focus and the delivery of our services will continue to set us apart.

Our award-winning team focus on five specialist legal sectors– Employment Law, Commercial Litigation and Dispute Resolution, Corporate and Commercial, Property, and Private Litigation.
